SPRING SOCCER

STARTS MARCH 27TH! COME JOIN THE FUN!

All are welcome, new players, intermediate players and experienced players alike, will enjoy themselves!

Every player is assigned to a team which is coached by volunteers. There is usually one practice each week for the 1st through 9th grade divisions. All games are played on Saturdays, at various school and county fields around town. Participation in practices is not mandatory, but is encouraged, in order to help develop skills, strategy, and a sense of team work.

Kinder Kickers and Little Strikers meet once a week on Saturdays at Nishuane School. Players are divided into small teams that play many different games designed to develop coordination, soccer skills, self confidence, and most of all… a love for playing soccer with new friends.

The only equipment required is a set of shin guards and athletic shoes such as sneakers or cleats.

Register on line now at Montclairsoccer.com!

For questions or comments, we may be reached at contact@montclairsoccer.com, or at 973-783-MUSC. Our not-for-profit organization is run entirely by volunteers, and we need your help!
