The Work-Family Connection is happy to be providing your 2010 Summer Camp Experience. This year we have extended our weeks, lowered tuition and offering many NEW camps.

2010 Summer Camp
Camp Dates: June 28 – July 30
Camp Hours: 7:00am – 6:00pm
Flexible schedules with many options for families

Camp Locations – camps will be held in the Montclair Schools
March 8, 2010

Dear Montclair Parents/Guardians:

We are pleased to announce that the Montclair Board of Education has agreed to have The Work-Family Connection operate Summer Day Camps for the 2010 summer season. This year camps will run for five weeks, from June 28-July 30 (closed July 5th). Many of the same camps will be returning from last year as well as several new exciting camps!

The Work-Family Connection, a non-profit educational organization established in 1989, is a professional provider of summer camps throughout New Jersey. WFC will be hosting your summer camps in various Montclair Public Schools.

Once again you will have the convenience of registering online. For returning parents, you can access your information from Summer 2009 for greater ease of registration. Please be advised that The Work-Family Connection requires that all registration is done online at www.WorkFamily.org. Payment is required at the time of registration, via Master Card, Visa or check. Please make checks payable to The Work-Family Connection. There is an annual fee to register your child in the summer camp of $40 per child or $60 maximum per family for more than one child.

Attached is a packet containing information for each camp. Please review these camps and select one or more that you believe will best meet your child’s needs. Then register online at www.workfamily.org. The deadline to register for the first week of camp is Monday, June 21st. After that date, registration for all other weeks must be completed by the Wednesday of the prior week.

Questions regarding particular camp activities should be directed to the Program Director whose name and telephone number appear on the information sheet in this packet. For questions about registration, camp status or changes, please call 908-534-5935 ext10 and speak with our registrar, Deb. Billing questions should be directed to our Accounts Receivable Manager, Jeanne, at 908-534-5935 ext14.

As in the past, transportation to and from each summer camp is the responsibility of the parent/guardian. Children must bring their own lunch and snacks to the camps. We are looking forward to a great summer!

Sincerely,

Aurora Pipeling
Chief Executive Director

ADDITIONAL INFORMATION ABOUT BRADFORD SCHOOL LEARNING FUN

If you choose the Bradford School Learning Fun program for your child's summer experience, these are some things you will find helpful in your planning.

Your child will need:

A pool pass secured from the Montclair Municipal Building, 205 Claremont Avenue. Please be sure to obtain it prior to the opening of the program, Monday, June 28th.

Pool attire should be worn everyday unless otherwise notified. Depending on the pool schedule and weather, campers will go to the pool at Mountainside Park most days (not on Fridays). We will be going to the pool in the morning, when the pool is NOT open to the general public, only to local camps.

Flip-flops, towel, bathing cap, sunscreen and cover-up should be packed in a backpack.

Please send a daily snack and lunch with your child.

Weekly field trips will be planned. Dates will be available at the beginning of camp. Most trips will be on Fridays (the day we are not able to go to the pool). The NJ Jackals Game will be on a Wednesday. You will need to sign a permission slip for each trip.

Any extra fees related to the trips will be collected at the beginning of camp (this might include purchasing a lunch while on trips - the cost of the trip itself is included in the camp tuition fee this year). Spending money for trips will be optional.

Although you may drop off your child at Bradford School as early as 8am, you do not have to. Arrival to camp can be anywhere between 8 and 9am. There will be an adult waiting outside to guide your child into the building during this time period.

You may register your child for camp for particular weeks or for all five weeks, depending on your child's interests. BE SURE TO REGISTER QUICKLY! This is a small camp, limited to no more than 30 children per week. Once that number is reached, registration will be closed.

Bradford School Learning Fun has at least 3 staff members for all trips to the pool and field trips off campus. Besides Kelly Russo, who has been a teacher in Montclair for the past 11 years, there will be at least two camp assistants.

Any questions? Email Kelly Russo at krusso@montclair.k12.nj.us.
For all questions regarding billing and/or registration contact WFC Main Office at (908)534-5935 Or email info@theworkfamilyconnection.org.

Register online at www.workfamily.org. Select the Montclair Bradford School Learning Fun Camp and then go to register and select your weeks. If available at this location, you can choose extended day from 7:00am to 6:00pm for an additional fee.

Course Descriptions on the back
4/5-year-old Program - (Pre K & K) A separate program especially designed to meet the needs of our 4 and 5-year-old students. A certified teacher trained in Early Childhood Education and an experienced aide conduct appropriate activities that will develop social and communication skills, eye/hand coordination, reading, and movement. Other activities conducted by certified staff will include singing, physical movement and games, drama and art. (4/5)

CREATIVE WRITING Students will engage in and learn many forms of creative writing with an emphasis on the production of a newspaper/magazine with stories, poetry, current events, feature articles, and art work. (8-12)

MAKING MOVIES Here is a creative way to make movies. Students will learn to create their own stories and scripts, plan the movie scenes through drawings and storyboards, and become the actors, directors and camera operators. Students will use digital video cameras to make and star in their own movies and will present their work at the end of camp. (8-12)

DRAMATIC THEATER The drama program cultivates creativity, self-expression, and personal confidence in each of the students. There is a performer in everyone, and we use improvisation, voice development, theater music, stage movement, and drama games to bring out children's innate talent. (6-12)

SCIENCE IS FUN Our Junior Scientists will have hands-on experiences showing how science is a fun part of life. Activities from making glass from sugar to learning how to make a tornado in a bottle demonstrate how the art of science makes our world better. (6-12)

SINGING (Chorus) Join the fun of singing a variety of songs from pop and theater to the latest chart toppers while learning vocal techniques and poise. (6-12)

PIANO: Instruction and supervised practice using electronic keyboards. Students with no previous piano experience are encouraged to try this exciting music experience. Experienced piano students are encouraged to take this class to gain individual coaching and practice time to improve their skills. (6-12)

BEGINNING STRINGS: Beginning instruction on violin, and cello through group activities. A limited number of instruments are available for use. Please specify instrument when registering. (8-12)

BEGINNING BAND: Beginning instruction on flute, clarinet, saxophone, trumpet, trombone or drums through group activities. A limited number of instruments are available for use. Please specify instrument when registering. (8-12)

INSTRUMENTAL ENSEMBLE: Intermediate instrumental ensemble: students with experience on any instrument. Please specify instrument when registering. (8-12)

GUITAR Beginning and intermediate instruction and supervised practice on guitar. Individual and group experiences using popular songs. A limited number of instruments are available for use. Please indicate an instrument need when registering. (8-12)

COOKING CREATIONS Students will prepare foods that jitter, jounce, and ooze... foods that tantalize the senses. The food will be fun to prepare and good to eat. "Rookie" and "Master" cook levels welcome. Special care is taken regarding any type of food allergies. (6-12)

JAZZ/TAP: Students will develop rhythm, timing and phrasing skills. Class sessions will include experiences involving basic combinations and short dances. (6-12)

HIP HOP & JAZZ: Students will learn and experiment with hip-hop, and jazz movements and then create their own dances using these movement styles. (8-12)

JAZZ/MODERN: Students will learn the latest in Jazz and Modern dance techniques and explore the dynamics of space, rhythm and energy by performing set dances and by creating their own choreography. (6-12)

GYMNASTICS: Class activities include free-style work on mats, along with instruction on the gymnastic apparatus in a relaxed, and calm environment. Students are grouped according to age and experience for most activities. (6-12)

SUMMER SPORTS: Included in this course will be activities including ball handling skills, movement education, children's games, and fun with scooters, relay races, parachute activities and sack races. A major focus will be the development of good sportsmanship and social interaction. (6-12)

ART

VISUAL ARTS: Students will experience a variety of media, including painting, drawing and crafts. (6-8)

PAINTING/DRAWING: A course designed to expose the students to a variety of painting and drawing techniques and media. (6-12)

TEXTILES: Students will learn the techniques of textiles in a variety of art projects. (8-12)

Nishuane Summer Spectacular

More than a summer program it's an environment in which to grow!
Celebrating 21 years of excellence!!
June 28, 2010 – July 30, 2010

Nishuane Summer Spectacular will provide an opportunity for children ages 4-10 to “exercise their minds and bodies while having fun!” The program was designed with children in mind. It offers a safe and positive experience in a stimulating environment. Imagine the fun they’ll have as they participate in organized sports, visual/performing arts and exciting thought provoking activities in a nurturing setting. They’re sure to experience memorable fun filled days.

Nishuane Summer Spectacular offers five fantastic weeks. Each of the featured courses and activities will be offered weekly. The children are grouped according to age. Together they rotate experiencing all that is offered. We follow an A (Mon & Wed) – B (Tue & Thurs) schedule. Everyone swims together in a well-supervised environment, Mon-Thurs. Friday is “Fun Friday”. The schedule changes and the student’s travel with their groups to each exciting activity. Snack/lunch breaks are included in the daily schedule. Feel free to enroll for one or more weeks to accommodate your summer schedule; the focus is fun and flexibility.

The children will participate in the following courses & activities:

Swimming       Sports Skills       Technology

Joy of Movement  Exciting Edibles  Art in Motion

Lego-mania       Fun Fridays

Course Descriptions:

The Joy of Movement
The children will learn about dance and creative rhythms as art forms. Creativity in body expression strengthens self-image, improves technique and develops fluidity.

Sports Skills
The children will participate in various sports ranging from soccer, softball, floor hockey, basketball, tennis and gymnastics. The main focus will be on the particular skill of each sport and good sportsmanship.

Art in Motion
The students will learn about famous artists, their particular styles and techniques. They will develop an understanding of design concepts-color, line shape, form, space, texture, pattern and composition.

Exciting Edibles
The children will learn the basics of following a recipe, measuring skills, and food safety habits. They will enjoy creating tasty treats to eat.

Technology
The students will use computers as instructional tools in varied content areas. Age appropriate software and Internet sites will be used to enable reading, writing, and using problem-solving techniques in a fun friendly atmosphere.

Swimming
The children will walk across the street to the Nishuane Pool from 11:00-12:30 pm on Monday-Thursday. They will have fun and enjoy free swim in a well-supervised area.

Fun Fridays
The children can look forward to participating in a day full of fun activities. Arts and crafts, obstacle courses, organized sports, cool treats, and more will be offered.

Register online at www.WorkFamily.org and select the Montclair Nishuane Summer Camp and then click register and select your weeks and half day or full day option. Extended day is available from 7:00 am to 6:00 pm for an additional fee.

Kitchen Science

Did you ever wonder what would happen if you mixed a solid, a liquid, and a gas together and then heat it?

Do you want to spend a little time each day finding out what you can do to change the states of matter?

Would you like to eat while doing a science experiment?

Well this is the place to be!!!!!!

While you are working to explore the scientific method, you will also be working to find out how cool it is to use household supplies to “create” edible science projects.

If you are a 1st through 4th grader and have some free time during one or more of the following weeks:
July 12th  Monday – Friday, 9:00am – 3:00pm
July 19th  Monday – Friday, 9:00am – 3:00pm
July 26th  Monday – Friday, 9:00am – 3:00pm
Sign up and enjoy exploring the wonders of Kitchen Science.
