Walk and Bike to School – Survey and Information

Next year, Edgemont’s health and wellness will be developing a program to encourage students and their families to walk and bike to school. We are forming a committee to specifically target this initiative, which will also coincide with a township wide grant “Safe Routes to School”. Please take a minute to fill out the questions below on whether your family walked or biked during the past school year and stay tuned. There are going to be several ways to be involved. If you think you can help out, or just want to learn more, please sign up below.

In the school year 2009-2010, our family walked or biked to school:

Never
Once
2-10 times
Often (estimate)
Most Days

For the above piece of information did you primarily (circle one)

Bike
Walk

I am interested in joining the bike/walk to Edgemont committee:
Name
Email
Contact No.
