DISTRICT WIDE
MEGASKILLS for MIDDLE SCHOOL

Study Island:
At School & Home
Tuesday, April 3, 2012
7:00 PM - 8:30 PM
at Glenfield School Technology Learning Commons

Presenter: Mr. Charles Miller
Principal Glenfield School

Join us in Glenfield's Technology Learning Center (TLC) as we explore Study Island for Language Arts and Mathematics: The Home-School-State Curriculum Connection.

Study Island is built from the New Jersey Core Curriculum Content Standards and Common Core Standards.

This workshop is for parents of STARS, Special Education and Algebra Middle School Students.

Technology and School:
What Parents Need to Know
Thursday, April 12, 2012
7:00 PM - 8:30 PM
at Mount Hebron School

Presenter: Samantha Morra
Assistant Principal Mount Hebron School

Help your child be successful in school using technology. Come and learn what parents need to know to navigate the Montclair Public School tools for Communication.

This workshop will include StarPortal, BlackBoard, Twitter, Calendars, etc. We will also look at specific websites that impact learning.

This workshop is for all parents of Middle School Students.

For more information contact: Mrs. Sylvia B. Bryant, Parent Coordinator by email Sbryant@montclair.k12.nj.us or call 973.509.4028

Sponsored by Montclair Public Schools and MCIA
