MEGASKILLS

The Montclair Public Schools is sponsoring a series of MEGASKILLS Workshops as part of the District-Wide Parent Involvement Program. MEGASKILLS make it possible for children not only to learn but to use that learning as part of everyday life. We will offer a series of three MEGASKILLS Workshops.

Motivate! Educate! Celebrate!

Motivate your child to read and write more. Educate yourself about the newest methods available for teaching, reading and writing. Teachers will present activities that you can do at home with your child. Celebrate the love of learning with your child!

Facilitator: Mrs. Sylvia B. Bryant, District Parent Coordinator

Sponsored by Montclair Public Schools and Montclair Community Intervention Alliance

A Visit to the Planetarium

Thursday, December 6, 2012 7:00-8:30 PM

Parents will accompany children Glenfield Middle School
"Checking Out The Neighborhood"
Presented by Michael Miller

What’s behind Venus’ veil of clouds? What’s under Mars’ ice cap? What’s up with our neighbors in Space! Come to the planetarium and find out – it’s the next best thing to being there. Our interactive multi-media program will entertain and inform. Parent and child will be thrilled by the dark sky under the thirty foot dome, the interactive demonstrations, and the stunning visuals. We’ll find out why Google is going to dig up an asteroid, and what that robot is doing on Mars. It’s all about becoming a better Earthling, and making one’s place – in Space.

PUPs

Primary Unit Parents Workshop for Pre-K and K to 2nd Grade Educational Childcare Provided

PUPs - LANGUAGE ARTS & MATH

Parents will explore Interactive Language Arts, Reading, and Math Best Practices. These activities build self-esteem, risk-taking strategies, and personal goal setting responsibilities in young children and will help prepare them for their future educational experiences. Wear comfortable clothing!
