Harvest Day is Edgemont’s annual all-day, all-school celebration of food, the harvest and good stewardship of the earth! Students will engage in hands-on learning activities at a series of harvest-themed stations inside and outside the school. Planned stations include scarecrow building, making butter from cream, cutting and eating curly fries, learning about worms and compost, a petting farm, apple tasting, creating a nature craft and more! It’s a full day of fun, experiential learning for the kids and it works perfectly with the Montessori philosophy of educating the whole child.

Many volunteers are needed to make this day a success. The PTA staffs numerous food, crafts and activity stations. There is something for everyone. Come join in the fun!

Sign Up to Volunteer at:
http://www.signupgenius.com/go/10c0f45aaaee27a7f49-harvest1
or fill in below and return the completed form.

Please let us know if you are available to help for:
