PTA Enrichment Program

The PTA is planning its Winter Session of the PTA Enrichment Program. These are after-school classes taught by Edgemont teachers, parents, and outside organizations. Classes begin February 12th and will run 7-8 weeks, depending upon the day offered. The Enrichment Program is a great way to participate in the school system and introduce children to subjects and activities they might not otherwise have the opportunity to explore. If you have a particular talent, hobby, area of expertise, or just a fun idea that you would like to share with our children, the Enrichment Program is a great way to do so!

Here are a few of the courses that we have offered in the past: Artist Appreciation, Basketball for Girls, Book Club, Book Making, Chess, Creative Crafts, Embroidery, Healthy Cooking, Irish Step Dancing, Jewelry Making with Beads, Mathemagical Moments, Origami, Paper-Mache, Philosophy, Sign Language, Tae Kwon Do, Track, Worms and Weeds, and Yoga.

Basic Guidelines:

Courses meet once a week for 7-8 weeks, depending upon the day offered.

Instructors determine the class size, any age requirements, and the fee. Instructors must provide all materials used in a course, and should factor this into their fee.

Classes meet from 2:35 – 3:50 pm.

Instructors should indicate how much they would like to earn, per student. We prefer a statement in the form “$50 per student for the whole session.” The PTA will use this figure plus an additional surcharge to compute the tuition for your course. The part of tuition that we add to your fee will be used to provide scholarships to children who would not otherwise be able to participate in this program, and to pay an on-site supervisor for the program.

If you would like to participate in this fun and rewarding program, or you know of an organization that might be available to participate, please complete the reverse side of this form and return it to Amy Rabb-Liu no later than January 26th, 2007. If you would like to discuss possible courses, please feel free to call me at 973-655-8824 or email me at arabbliu@yahoo.com.
Edgemont’s PTA Enrichment Program

Thank you for considering participation in the PTA Enrichment Program. All ideas are welcome. Also, if you do not wish to teach yourself, but have a suggestion for a course we may wish to offer in the future, please feel free to use this form to share those ideas with us as well. Please complete and return this form by January 26th, 2007.

Forms may be returned:
Via your child’s backpack to: Amy Rabb-Liu, PTA mailbox or
By e-mail to arabliu@yahoo.com or
By mail to Amy Rabb-Liu, 85 Edgemont Road, U. Montclair, N.J., 07043. If you have any questions, please call 973-655-8824. On-line forms are also available at the Edgemont PTA website, www.EdgemontPTA.org.

Name: ______________________________ Telephone: _______________________
E-Mail: ____________________________________________
Address: ____________________________________________
Proposed Course Title: __________________________________________________________
Proposed Course Description:
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
Age Group (ex. K-2, 3-5 or K-5): _________________________
Class Size (minimum/maximum size): _________________________
(instructors are not expected to teach if enrollment does not meet minimum class size requested.)

Days available or preferred for this class: ______________________________

Fee: __________________ (Please remember to factor supply costs into your fee.)
The PTA will compute tuition by adding an appropriate surcharge to your fee which will allow us to give scholarships and pay an on-site supervisor.
