It is time to sign up for this year’s Talent Show scheduled for Friday May 11th. Please complete and return your sign up to PTA mailbox Attn. Talent Show.

Keep in mind that all performances are limited to 1.5 minutes. Performers are expected to fine tune their acts at home. Practices will focus on staging and learning a group number. Please bring a copy of your CD to the first practice as a master copy of all music will be made. All vocal performers should find Karaoke versions of their music.

All participants must pick one preview date and commit to two days each week of practice. Previews will take place April 2nd, 3rd and 4th. Regular talent show practice begins April 23rd, the week following spring break. Tech Crew should report to practice Wednesday May 9th and Thursday May 10th. Everyone must attend the Tech Rehearsal on Thursday, May 10th. Practices will take place after school in the multi-purpose room and will end promptly at 3:50pm. Participants will need a note from home directed to their teacher detailing which practices they will be attending.

Name __________________________________________

Phone Number___________________________________ Teacher/Grade____________

Provide detailed description of act. Include title of music, names of other participants or indicate that you want to help with Tech Crew.
