This year, the theater program needs our support more than ever! We'd like to invite you to become an official "Friend of SVPA." This and other fundraisers held throughout the year will ensure that SVPA productions maintain their professional quality and continue to give our children an exciting, high-caliber experience in the arts.

Our goal is 100 percent family participation by the end of the school year. Become a member and your name will appear in the programs of our fantastic SVPA shows! Support levels are:

- Producer's Circle \$100 donation
