

## Be a part of the Glenfield community....

### Join the Glenfield PTA today! Individual membership only \$10

#### *Why become a member?*

Joining the Glenfield Parent-Teacher Association for the 2017/2018 school year is an easy way to be an engaged member of our school community.

The \$10 membership fee is used in two important ways. A portion goes to pay our dues to the New Jersey PTA organization, but more importantly, the rest of the funds collected are used for initiatives that directly impact our students.

The PTA works to strengthen the connections between family, school and community. We provide resources for classrooms, mini-grants to teachers, scholarship money for field trips, and plan community-building activities throughout the year.

When you become a member of the Glenfield PTA you are simply showing your support for our goals and activities. Becoming a member does not mean making a big commitment – there is no requirement that you attend monthly meetings or be an active volunteer.

Please join us by filling in the form below and return it in an envelope marked “PTA Membership” along with cash or check made out to Glenfield PTA. You can also mail your membership form and dues payment to:

Thank you for your support!
