School House Rock Live! Jr.

The reviews are in and Watchung PTA’s 2nd annual After School Enrichment theater production was a big hit! Our talented singers, dancers and actors performed Schoolhouse Rock Live! Jr. (based on the Emmy Award-winning 1970s educational animated TV series) to their fellow students, friends and family with three performances in two days. Congratulations to the cast, volunteers and everyone who helped make the production such a huge success!
A Message from the PTA Presidents

We think we can finally say it: spring is here! And with the sunshine and warmer days come so many school activities. Our PTA volunteers are working on the annual Tag Sale, Bike/Walk to School Day, Teacher Appreciation Week, Pancake Breakfast and Fun Run, the annual Talent Show, Science Bee and Science Summit, Field Day, Ice Cream Social and the farewell activities for our graduating fifth graders. We are busy! If you would like to help out with any of these events, volunteer information can be found later in this issue.

We know many Watchung parents would like to learn more about how our district is implementing the Common Core State Standards (CCSS) and the PARCC test. Both the PTA and the School Action Team (SAT) are working to bring more information to you. The SAT sponsored a presentation by Supervisor for Professional Development Natalee Bartlett last week on the CCSS, which gave an overview of the goals for mathematics and language arts. Last Tuesday, we attended a PTA Council meeting during which Chief Academic Officer Gail Clarke presented an overview of the PARCC test and the district’s new Director of Technology, Barry Haines, gave a brief presentation of the district’s two-year technology plan, which is vital given that the PARCC test must be taken on a computer or tablet. We can assure you that Barry is hitting the ground running and he plans to meet with the PTAs and SATs in the district soon to tell us what we can expect from the district in terms of new technology and also how the PTAs can best use funds raised for technology.

If you would like to do any reading on either Common Core or PARCC, both Principal Schmidt and the SAT have provided information and useful links to websites in this issue of the newsletter as well as in past issues (available at www.watchungpta.org). In addition, the National PTA (www.pta.org) website has some great basic information for parents, including a New Jersey-specific guide to the Common Core as well as short overviews of Common Core standards for each grade level.

We hope everyone has a relaxing, fun-filled Spring Break (and remember, school is in session on Friday, April 25th!).

Have a great month!
– Jen and Melinda

Thank You!

School House Rock Live! Jr.
Our second annual ASE Theater Production was a hit! Thank you to director Marlaina Powell, musical director Henry Boote, committee chairs Lisa Russman and Cyndi Owgang, parent volunteers Julie Laser, Ellen Kim, Jen Freund, Rachelle Byrd, Debbie Nathanson, Deb Leow, Elaine Schwartz, Omaira Lacey, Aimee Brooks, Laura Gelman, Ki Keys, Kim Keys, Dina Cagliostro, and intern Ava Falco. Also special thanks to the following: Humberto Ibarra and John Warren for their assistance getting our auditorium ready, Eric Weintraub for generously allowing the use of the gym during the production, Ravan McGrath for creating the “Great American Melting Pot” montage, Tim Bohn for staging/directing “I’m Just a Bill,” Louisa Testa for supplying flowers, Eileen Painter and Cookie Bella Bakeshop for supplying cookies, and Acadia Scenic for donating stairs.

Watchung Booksellers Fundraiser
Thank you to chair Aimee Brooks and Jill and John Hirsch, Deborah Leow, Debi Debiak, Janice Leas, Ewa Baj, Ki Keys, Kate Kim, Christine Westlund, Jen Freund, Rion Byrd-Gumus, Beth Acevedo, Tracy Schraven, Mutya Harsch and Sybil Eng who either helped at the lemonade stand/bake sale or baked goodies!

After School Enrichment
It was a tough winter with all the snow days, but we want to send a BIG thank you to ASE chair Janice Leas for seeing the winter session of ASE through to the end. This is one of the bigger PTA jobs and Janice has graciously chaired it for two years—even while she was trying to move! Janice, we will miss you next year!

Fifth Grade Graduation Team
Our Fifth Grade Graduation committee chairs, Mary Moore and Elaine Schwartz, have worked tirelessly this year to raise funds for the fifth grade graduation festivities. If you don’t know who they are, you have surely bought pizza or snacks from them at one of our many PTA events! Thank you, Mary and Elaine! We are almost there.

Harlem Wizards vs. Montclair Magic
We hope everyone had an amazing time at the Harlem Wizards game! Our own Montclair Magic gave them a run for their money, but alas, the Harlem Wizards remain undefeated. Thank you to the Montclair Magic team: Raymon Barrett, Susan Bleecker, Henry Boote, Lyndsay Byron, Jon Chiles, Angela Falco, Rob Fantozzi, Justin Franciose, Major Jennings, Patrick Krenn, Ravan Magrath, Renee Marchand, Megan Matson, Victoria Meisch, George Oliphant, Dione Olson, Kevin Osman, Gina Russo, Joe Schmidt, Randi Schott, Danielle Schragen, Cristiana Smith, Christina Sparacino, Keimon Thompson, Maureen Verducci, Patrick Wilson, Susan Wolff and team coach (and our own “Coach”) Eric Weintraub. Thank you for putting yourself out there, basketball skills or not, and for having a great time!

Thank you to the teachers and staff who didn’t play but showed their support in so many other ways during the game: Amy Armstrong, Jamie Bassett, Christen Berman, Elaine Blafer, Melissa Buttiglieri, Ann Cavallo, Gail Derivan, Marissa Donovan, Valerie Hampton, Carolyn Jochem, Sandra McKnight, Majorie McShane and Nancy Myers-Alvarez.

Thank you to our tireless team of volunteers: our event co-chairs, Ofie Bondorowsky and Paul Marchand and our event committee, Aimee Brooks, Tara Charkow, Kate Epstein, Laurie Ewing, Laura Gelman, Janine Gillott, Nikki Jones, Ki Keys, Eve Longlade, Anu O’Brien, Meghan Spielberg, Heather Taylor, Meg Temkin, Kim Williams and Lilly Williams. Thank you to our fantastic “day of” volunteers - Selma Avdicevic, Jyll Friedman, Amy Freitag, Tatyana Hube, Jaclyn Friedman-Lombardo, Sheila Gibbons, Angela Durham-Knight, Veronica Miklaszewski, Kate Kim, Candace Thom, Karyn Evans Farkas, Kimberley Clearwater, Robyn Myhr, Phil Dorian, Valerie Bischak, Brett Straten, Tom and Jen Strollo, Mary Afragola Moore, Jonathan Kim, Stephen White, Tony Brangham, Deborah Leow, Jason Hedberg, Jim Andrews, Raquel Wall, Yael Gelman, Brigitta Taylor-Lilquist, Shari and Stephanie Fox, Stephanie and Kimberly Troeller, LaTasca and Sydney Foster, Lisa and Abby Russman, Jill and Skylar Edinburg, Cyndi and Eva Ofgang, Angela Durham, Tony Brangham, Charley Flicker, Jake Halpern, Kiera Asan, Louisa Skerry, Addie Temkin, Alex Jonasz, Kesley Kaelin Panico, John Frenzer, Marcia Lewis, Lauren Schmidt, Tina and Alexandra Cowles, Jen Freund, Jill Hirsch and Yana Gutierrez. Lastly, thank you to all of you who came out to support Watchung School and the Watchung School PTA.

Common Core State Standards Update

With all of the talk lately regarding required shifts in classroom instruction to meet the rigor and demands of Common Core State Standards, many parents might not realize how much of this has been common practice here at Watchung for years. Below are a few of the things we have done, and continue to do, to meet the demands of the new CCSS:

- Balancing informational and literary texts:
  - Increase the percent of nonfiction texts in our collections.
  - Motivate students through nonfiction book talks.
  - Teach strategies for accessing print and electronic nonfiction materials.
  - Teach reading skills specific to nonfiction material.

- Knowledge in the disciplines:
  - Plan and teach content-specific topics.
  - Teach strategies for research skills and help students apply them directly to a project.

- Staircase of complexity:
  - Review the current literature collection to determine the genres and complex texts that students will need to use.
  - Teach students how to choose appropriate texts.
  - Ascertain students' reading levels and use them with book selection and projects.
  - Expose students to more-rigorous text aligned to instruction.

- Text-based answers:
  - Teach students how to select a source and evaluate possible bias.
  - Help students develop their critical-thinking skills.
  - Teach students how to support a claim or assertion by drawing on a selected text.

- Writing from sources:
  - Get students accessing information, researching topics, and citing sources.
  - Guide students through the daily process of reading and writing.
  - Teach students how to use text references and evidence to support conclusions and opinions.

- Academic vocabulary:
  - Provide access to resources with rich, engaging vocabulary.
  - Focus instruction on constantly building richer vocabularies.

– Mr. Schmidt

NJ ASK TESTING SCHEDULE

- 5th Grade: May 5th-8th
- 3rd Grade: May 12th-15th
- 4th Grade: May 12-16th

Please make sure all students arrive to school on time during testing.

SAT Update

On April 9, the District’s Supervisor for Professional Development Officer, Natalee Bartlett, provided a presentation on the Common Core State Standards (CCSS) for Watchung parents. For those who missed this SAT-organized event, on page 6 is a copy of the handout, “3 Key Ideas for Parents about the Common Core.” Also, the District has several guides to CCSS on www.montclair.k12.nj.us. Look at the bottom right of the home page for the links.

Our next SAT meeting is May 13 at 7:00pm. Please join us! Please also feel free to contact your SAT representatives with questions or issues for the SAT to address.

SAT Co-Chair

Upcoming Assemblies

• On Wednesday, April 30 the George Street Playhouse Educational Touring Theater brings to Watchung School, Austin the Unstoppable. Reigning master of the X-box and junk food junkie, eleven-year-old Austin must face the long-term consequences of an unhealthy lifestyle when he learns his mother has been diagnosed with Type II Diabetes. In partnership with ShapingNJ, this fun, upbeat musical comedy explores the challenges of one family learning how to make healthy choices together and celebrates how positive changes can occur with the power of love, hard work and support.

• On Thursday, May 22, History’s Alive: Lewis and Clark will be presented by Patrick Garner, a local professional actor. He will mix history and humor, science and motivation to instruct students in the value of history, inspire them to study history and entertain them as they learn from history. 9:30 a.m. K-2, 10:30 a.m. 3-5.

• On Friday, May 30, students will be treated to a visit from Charles Liu, an astrophysicist at the American Museum of Natural and Montclair resident. Dr. Liu clearly takes great delight in his work and will get the students excited about learning about the universe.

Parents are always welcome. Also, please ask your kids about the assemblies they attend.
3 KEY IDEAS FOR PARENTS about the Common Core

Thinking Deeply
The Common Core emphasizes critical thinking. It requires students to analyze more, discuss more, evaluate more, justify more and explain their thinking & understanding deeply, especially in writing. Take-Away: Really thinking deeply is hard. Let it BE hard, help them talk it out.

Integrating Learning
The Common Core emphasizes learning across disciplines (reading with math & social studies standards combined into one task). Students spend more time working together with different settings, structures & tools. Take-Away: Problems & solutions happen everyday in the real world.

Showing How They Know
The Common Core emphasizes proof & evidence. Long gone are the days of worksheets, fact memorizations and skill & drill. Students are not taught this way and they are not assessed this way. Take-away: The new tests will require students to explain how they know.

Supporting The Common Core at Home
- Ask "why" when children tell you they want something or want to do or not do something.
- Use the word "because" after "No" or "Not tonight..."
- Give reasons--you to them and them to you.
- Encourage questions & explore answers (especially questions whose answers are not yes or no.)
- Explain & discuss issues or problems in your house, neighborhood, & community. Brainstorm solutions.
- Compare how things are alike and different-videos, movies, food.
- Look for patterns
- Describe & categorize stuff.
- Tell your children what you value & why.
- Encourage & celebrate opinions.
A Truly Magical Night!

On March 22nd a sold out crowd of almost 1,000 watched as the world-famous Harlem Wizards took on the Montclair Magic, a team of Watchung teachers, staff and parents (along with other educators in the district) in the Montclair High School gymnasium. The Wizards kept everyone on the edge of their seats with their show-stopping slam dunks and hilarious half-court hijinks. The show was non-stop energy and laughs and the whole Watchung community had a blast! The event raised over $16,000 to further enhance the technology magnet at Watchung School.
Volunteer Opportunities

- **School Grounds Spring Clean-Up**
  Spring clean-up is scheduled for Sunday, April 27th at 1:00 p.m. Please contact Jackie McLaughlin (jacquelineian@comcast.net) if you would like to help beautify the school grounds!

- **Bike/Walk to School Day**
  Join us Wednesday, May 7 for our spring Bike/Walk to School Day. We will be joined by our wonderful faculty leaders, leaving from five meet-up locations. The walk begins at 8:00 a.m. and ends between 8:30 a.m. and 8:40 a.m. at Watchung Field where we will welcome our walkers and bikers with water and snacks. Volunteers are needed for set up and to assist at meet up locations. Please contact Amy Freitag (amyfreitag@verizon.net) for more information or to volunteer.

- **Pancake Breakfast/Fun Run**
  This annual event is scheduled for Saturday, May 10th at 9:00 a.m. Please contact Deb Leow (fun run) at thelewofamily@gmail.com or Phil Dorian (pancake breakfast) at philipdorian@archny.org if you would like to help.

- **Tag Sale**
  The annual Watchung PTA tag sale is scheduled for May 2nd and 3rd. Chair Karyn Evans Farkas is seeking volunteers to help with this long-running event (and hopefully groom someone to take over next year!). Please contact her at kd.evans.farkas@gmail.com if you can help.

- **Fifth grade graduation planning**
  Planning is underway for the 5th grade graduation festivities. Would you like to help? Contact Mary Moore (maryafragolamoore@mac.com) or Elaine Schwartz (creativetherapy.llc@gmail.com).

- **Science Summit**
  Are you a professional or expert hobbyist in any field related to science, mathematics or technology? We are actively recruiting new parents who want to create and run an experiment at this year’s event, which will be held on June 12th. To get involved, please contact chair Stephanie Troeller (stephanietroeller@gmail.com).

Relay for Life

Dear Watchung Families & Friends,

The Relay for Life, benefiting the American Cancer Society, is an overnight community celebration where individuals and teams camp out, picnic, dance, play games and take turns circling around a track “relay” style to raise funds in the fight against cancer. This year, it is taking place on Saturday, June 21st at Brookdale Stadium.

The teachers and staff of Watchung School have participated for several years as the Watchung Warriors and this year they have asked the parents and caregivers of Watchung to join them! We will have our own team that will participate alongside the Watchung Warriors, we are the Watchung Wowzers.

Almost all of us have been touched by cancer in some way, so we've decided to make a difference. We hope you will consider becoming a member of our Relay team. Haven't you always wondered what goes on at Brookdale Park at 3 a.m.? Now's your chance to find out! If you aren't able to walk with us, we hope you will consider making a donation. Please visit our webpage at: http://main.acsevents.org/goto/watchungwowzers.

With gratitude,
– Robbie & Jenny Lazarus

Don’t Forget About Box Tops!

Our “Montclair Magic” Box Tops Competition is underway and runs through May 2nd. Clip Box Tops and send in to your child’s homeroom teacher. The class with the most Box Tops wins a party! Also, don’t forget to earn Box Tops for Watchung through online shopping! Instead of going directly to the website you plan to shop on, you can go to that site through the Box Tops Marketplace at www.boxtops4education.com/marketplace/browsetores. And, yes, practically every online store you can think of is here! You will need to set up an account on the Box Tops website first, so that the Box Tops you earn with your purchases will go to Watchung. This is quick and easy; you need only provide your name, email address and the school you are supporting. Please consider taking a few minutes to do this—and then shop for yourself and earn for Watchung!
Greenhouse Happenings

Spring is definitely in the air and we are in full swing mode in the greenhouse! As many of you know, the "Watchung Courtyard" is also springing to life! Thanks to a wonderful group of parent volunteers, we are sprucing up the courtyard and the children are so excited to get out there! Our new crop of volunteers is very energetic, creative and enthusiastic! A special thanks to Colleen Martinez, Melody Kettle, Jamie Pfeifer, Lisa Granovsky, Sumi Pillai, Kimberly King and Mary Moore for all of their help in organizing our projects and all of their hard work!

Each class in Kindergarten, First and Second grades will have a raised planting bed to call their own. Each garden box will have a special theme and will be planted, decorated and cared for by each of those classes. Some of the themes include a “Storybook Garden,” “Rainbow Flower Garden,” “Strawberry Fields,” and “Sensory Garden.” We will let you know the final decisions later.

We will also be adding to the pond area, a shade garden, creating a “Peace Garden,” as well as improving the space overall. We are striving to create a lush, inviting place that is child friendly and will also be returned to the certified “Schoolyard Habitat Site.” The real goal is to have the entire school community be able to use the outdoor space for variety of purposes. Classes will be able to go outside to read, write, conduct lessons, study nature, have celebrations and for special occasions.

The greenhouse is full of seed trays that all the students have started! We are starting seeds to plant in the vegetable garden and other gardens. Each grade level has a different focus. Hopefully some crops will be able to be harvested before school ends and the kids will get to taste them! The bulk of the crops will ripen over the summer and will be donated to “Toni’s Soup Kitchen” as our school’s community service project. We will be looking for volunteers to help over the summer, so stay tuned!

The Watchung Third Graders have a special month this April! Each third grader gets to take home a “Bonnie Cabbage Plant” to care for. They are encouraged to try and grow the largest cabbage plant in New Jersey and take a picture and send or bring it to me to enter the contest (in September). There will be one winner in each state that will receive a $1,000 scholarship. The third graders also receive evergreen saplings from the NJ Department of Forestry in honor of Arbor Day.

If anyone is interested in being involved in the courtyard or garden, please contact me. We have plenty of things to do, green thumb not necessary!

– Amy Armstrong (aarmstrong@montclair.k12.nj.us)
Watchung is Watching Our Character!

“Without courage, we cannot practice any other virtue with consistency. We can’t be kind, true, merciful, generous, or honest.”

– Maya Angelou

For the month of April we will be highlighting the character theme

**COURAGE**

You can help us encourage this month’s theme by modeling for our children to:

…Do the right thing, even if others are not.

…Bravely deal with your daily challenges.

…Be willing to try new things, even if you might fail.

…Tell the truth regardless of the consequences.

…Face your fears and work to overcome them.

…Admit your mistakes and learn from them.

…Not give into negative peer pressure

Here is a list a suggested books to read with your children to spark conversation about COURAGE:

- *Courage*, B. Waber
- *Through My Eyes*, R. Bridges
- *The Recess Queen*, A. O’Neill
- *The Real Thief*, W. Steig
- *Tuck Everlasting*, N. Babbitt
- *The Empty Pot*, Demi
- *Pink and Say*, P. Polacco
- *The Rough Face Girl*, R. Martin

Please contact Student Assistance Counselor Danielle Schragen (*dschragen@montclair.k12.nj.us*) if you have any questions.
Spring Chicks

You know it’s spring when Mrs. Blafer gets the incubator out! Stay tuned for chick photos next month.

Notes from the Nurse:

Friendly reminder to 5th grade parents to please send in updated immunization information. Within one month following an 11th birthday, every student born after January 1, 1997 must have two vaccinations:

- One dose of Meningococcal Vaccine, and
- A booster of Diphtheria, Tetanus, and Pertussis.

You must submit documentation of these vaccinations within 30 days of your child’s 11th birthday to his/her elementary school nurse. Please call your child’s health care provider as soon as possible for an appointment following his/her 11th birthday. The Montclair Department of Health conducts vaccination clinics on the first and third Monday of each month. You can contact the Department of Health at 973-509-4980 for a vaccination appointment.

If your child has no health insurance, vaccinations are free through the Vaccines for Children program. Insured families must pay for vaccinations. A receipt is provided for insurance company submission purposes.

In addition, please call in when your child is sick or away. We need to account for all students daily. We send the attendance daily to the state.
