

Restorative Justice Edgemont Elementary School

Welcome back to another year of Restorative Justice (RJ) at Edgemont Montessori. I am Ms. Olivi and I am serving as the Restorative Justice teacher. My focus is to work with the principal, the RJ team and all staff to instill the three core principals of Restorative Justice in our school.

1. Creating just and equitable learning environments.
2. Nurturing healthy relationships
3. Repairing harm and transforming conflict.

I will be speaking more on these core principals at Back to School Night 9/19.

The entire school staff has been working on creating three school wide behavior expectations that hold our Montessori values. These expectations will be taught and explored this year. We are proud to share: The 3 B's!

Be Safe Students
Be Respectful Peacemakers
Be Responsible Learners

Classrooms will work with myself, Ms. G and teachers to use these expectations to create classroom charters through RULER, our SEL program.

Ask your children what does it mean to you to be; A Safe Student? A Respectful Peacemaker? A Responsible Learner?

SUPPORT

Restorative Justice (RJ) is an indigenous philosophy that emphasizes building relationships. If there is a need to repair harm caused by conflict and wrongdoing, restorative justice provides an opportunity for everyone impacted by an incident to come together in a safe space to address their feelings and needs, and reach a resolution that heals and restores relationships.
