COVID-19 Reminders:

Members of our Edgemont Community continue to test positive for COVID-19 and Montclair Public Schools remain aligned with the NJ Department of Health and the CDC's Isolation and Exposure guidelines: <https://www.montclair.k12.nj.us/cms/one.aspx?pageId=70351677>

Current guidelines include:

Isolation

The day a student tests positive is "day zero". If symptoms start after testing positive, that day becomes "day zero." Students must stay home and isolate for days zero (0) through five (5). To return, a student must be fever-free for 24 hours without Tylenol/Motrin and with symptoms resolving. A student can not test out of the five day isolation.
