Good afternoon Edgemont families,

Welcome back! I hope everyone had a restful winter break! Excitement was in the air as students and staff entered the building this week! We look forward to having a successful, productive 2024.

A friendly reminder that our student arrival takes place between 8:10AM-8:20AM. Period 1 (academic instruction) begins at 8:20AM. Students that arrive after 8:20AM are marked tardy and are late for instruction.

As you know, Ms. Lepari retired after 42 years of teaching! I am working closely with the Personnel Department in order to hire a qualified Cosmic Studies teacher who has a passion for the Montessori method and Science. Ms. Lepari also worked with our Gifted & Talented students during Small Group Investigation time. Moving forward, Ms. Hart and Ms. Adams will continue to work with our Gifted & Talented students for Small Group Investigation time while we work to hire a new teacher. Gifted and Talented students will continue to receive Differentiated Instruction in the classroom by their classroom teacher(s).

In a few weeks, we will hold our monthly 3B Assembly. Please continue to discuss the School Wide Expectations with your child- **be** a respectful peacemaker, **be** a responsible learner, **be** a safe student. We will continue to have discussions with the student body throughout the year.

We will hold our January SATp meeting on Wednesday, January 10, 2024 at 7:00PM.

Please see Zoom information below:
