

# FEBRUARY SEL CORNER

MS.GUNAYDIN'S  
NEWSLETTER

RULER!

This month, we focused on the feelings of love and also RULER-guided emotion words. For love, we discussed that everyone may have different ways they show their appreciation, kindness, and love for each other such as high-fives, hugs, playing tag, etc.

Students also participated in the SOUPER bowl hosted by our 5th grade team. We collected so many non-perishable items, thank you so much for your participation. It means so much.

## school wide expectations: the three bee's!

The entire school staff has been working on creating three school wide behavior expectations that hold our Montessori values. These expectations will be taught and explored this year. We are proud to share:

The 3 B's!

Be Safe Students

Be Respectful Peacemakers

Be Responsible Learners

We have been conducting assemblies each month. Please continue to work and incorporate these expectations at home as well. **For the month of February, we focused on introducing Lunch Room Expectations and reviewing Bathroom Expectations.**
