

Restorative Justice Edgemont Elementary School

RJ circle this week is the same as last week as we are in a bi-weekly rotation with RULER implementation to provide various levels of support and SEL for all the children and adults at Edgemont. Check out last weeks newsletter [here](#).

The three core principals/values of Restorative Justice are:
Creating just and equitable learning environments.
Nurturing healthy relationships
Repairing harm and transforming conflict

After our Mountain circles (challenges) it is a natural next step to talking about Growth Mindset. Perfect timing for the upcoming NJSLA testing. Please find resources below to learn about how the brain works (learn about learning) and instill a Growth Mindset in your home and life.

Restorative Justice (RJ) is an indigenous philosophy that emphasizes building relationships. If there is a need to repair harm caused by conflict and wrongdoing, restorative justice provides an opportunity for everyone impacted by an incident to come together in a safe space to address their feelings and needs, and reach a resolution that heals and restores relationships.
