

Fall 2023 After School Enrichment Course Offering – NORTHEAST ELEMENTARY

Watercolor and Pencil Play with Mozart (K-2 Fridays) Enjoy the talent your child shares by listening to classical music like Mozart and Beethoven while having fun watering and painting their masterpiece.

Comix/Cartoons (2-5 Fridays) One of the most awesome ways to express ourselves is through characters in a comic book or cartoon. The characters can be exaggerated and embellished to become anything we want them to be and the stories they tell are always imaginative and fun. In this class we will travel into the world of cartoon art and learn all the basics for creating comic books and cartoons to share with friends and family.

Dinosaur Adventures (K-3 Wednesdays) Dinosaurs ruled the earth for millions of years. Then suddenly they disappeared. Learn all about dinosaurs as we take an adventure back in time. Find out which dinosaur was the largest, which was the smallest, which had the most horns, the longest neck, or which ate the most food. Learn which dinosaurs evolved into animals of our own time and create awesome art projects in paint, collage and clay as we work our way through our own awesome Jurassic Park!

Clay Play (K-3 Wednesdays) Join in the fun as we explore many different ways to create with clay. Throughout history pottery has been the container of choice for storing, serving and preserving foods, liquids and other goods in the home and hearth. It has also been the medium of choice for making jewelry and other decorative items that enhance our lives and build self-esteem. We'll use air dry clay to sculpt and mold, make jewelry and kinetic art with polymer clay and have an awesome time with everyone's favorite - Model Magic!

Tinker Lab, K-3, Fridays) You are the engineer! Design and build a different project every week. Explore different areas of engineering through hands-on projects: electrical engineering, civil engineering, or mechanical engineering, and more.

Craft Crazy (K-3 Tuesdays) Join us for hours of creative crafting fun as we design, build and create awesome art projects with paint, wood, clay, paper, ribbon, beads, and lots of other fun embellishments. You'll discover a great artful outlet and have lots of fun to boot in this crazy crafty course!

Street Art & Graffiti (3-5, Wednesdays) In this Street Art Afterschool Enrichment Session, young artists will learn about street artists from all corners of the world, create their own works influenced by these artists using markers, stencils and paint and design their own message, sign, or symbol. The session will culminate with a "gallery show" showcasing their work from the last 7 weeks. NOTE: All supplies will be provided.

Tae Kwon Do K-2 Fridays) Practicing Tae Kwon Do movements and discussing its application outside the physical technique and the correlations related to Academics, Athletics, and Character Development.
